

Kwibuka and Yom HaShoah: a Joint Remembrance

Join us as we gather to commemorate Kwibuka 27 and Yom HaShoah.

Students from the Agahozo-Shalom Youth Village in Rwanda will share a special musical performance and together, we will learn from Celine Uwineza (survivor of the 1994 Genocide against the Tutsi) and Maritza Shelley (survivor of the Holocaust) as they discuss memory, healing, and educating the next generation.
